Our Product Range

Red Chilli

Our red chillies are sourced from reputed chilli-growing regions known for vibrant color and strong pungency.

- Bright natural red color
- Strong pungency levels
- Carefully cleaned and graded
- Suitable for spice processing and food industries

Red Chilli Varieties

- **Teja (\$17)** – High pungency chilli widely used for spice processing
- **Sannam Chilli** – Popular export variety with balanced color and pungency
- **Byadgi Chilli** – Known for deep red color and low pungency

Turmeric

Our turmeric is sourced from premium turmeric-growing regions known for rich color and high curcumin content.

- High curcumin content
- Deep yellow color
- Natural aroma and purity
- Suitable for food processing and spice industries

Turmeric Varieties

- **Salem Turmeric**
- **Erode Turmeric**
- **Finger Turmeric**

Ginger

We supply quality ginger sourced from major ginger-growing regions in India.

- Strong aroma and taste
- Carefully selected and graded
- Suitable for food processing and wholesale markets

Ginger Types

- **Fresh Ginger**
- **Export Quality Ginger**
- **Farm-Sourced Premium Ginger**

About the Company

Aurmin Global Exports, a division of Aurmin Global Private Limited, is an emerging export-oriented company focused on supplying high-quality Indian spices to international markets. We source our products from trusted farmers and suppliers located in some of the best agricultural regions of India. Our goal is to provide global buyers with authentic Indian produce while maintaining strong standards of quality, reliability, and transparency.

Key Sourcing Regions in India

Red Chilli:

- **Guntur, Andhra Pradesh** – One of the largest chilli trading hubs in Asia
- **Byadgi, Karnataka** – Known for deep red color chillies

Turmeric:

- **Erode, Tamil Nadu** – Known as the Turmeric City of India
- **Nizamabad, Telangana** – Major turmeric producing region

Ginger:

- **Kerala** – Renowned for high-quality ginger
- **Meghalaya** – Known for premium organically grown ginger

Export Packaging

We provide flexible packaging options based on buyer requirements:

- **25 kg export bags**
- **50 kg export bags**
- **PP bags / Jute bags**
- **Custom packaging on request**

Global Export Focus

Aurmin Global Exports aims to supply premium Indian spices to international markets including:

- **Middle East**
- **Southeast Asia**
- **Europe**
- **North America**

We welcome inquiries from importers, distributors, wholesalers, and food processing companies worldwide.
